- The program may not duplicate an existing high school co-curricular program.
- All students participating in this activity will be current students of Bloomington Jefferson High School in grades 9-12.
- All students participating in this activity will be responsible for following school district policies and school rules concerning student activities including, but not limited to, attendance, conduct, scholastic standing, and other eligibility requirements.
- If team competition is involved, the team will be allowed to use Bloomington Jefferson High School's nickname, school colors, logo and name on their uniforms and associated materials.

Please provide the following information:

- **Purpose Statement:** In no more than 500 words, please submit an outline for the need of this club, its function and potential benefits to students who participate in the space provided.

- **Program Schedule:** Create a proposed program schedule of activities, including meeting times and dates for the entire school year.

- **Lettering Requirements:** If requesting lettering status, please address how the lettering requirements are met in the space provided.
 1. The club/group must have a **team competition component**, some part of which must be held in Minnesota, **must be against other high school programs or clubs**, and must be organized in such a way that the general public is aware of and may attend if they choose. The competitions must use a set of standardized rules or guidelines for play, teams must be able to compete against other teams of similar age, and there must be officials or judges who apply a standard set of judging criteria.
 2. The individual members of the team must have a time commitment similar to other school district activities in which a letter may be earned (around 150 hours).
 3. The participation must be at an advanced rather than an entry level.
