

# Meet the people at the Activity Center!

## Willie Shoals

Willie has been a member for 10+ years and was originally invited to try the Activity Centers out by a friend. That was when he lived in Bloomington. Even though he now works and lives in the communities south of the Minnesota River, Willie still drives north to work out at the JAC and KAC! The reason he goes out of his way is because “I am happy and comfortable here.”
